Software Developer

Summary

I obtained my BA in computer science from the Universidade Aberta in Lisbon via distance learning.

The main subjects on the course were computer science, mathematics and project management.

During this time I acquired valuable experience that allowed me to develop my ability to solve problems independently and efficiently.

As a Software Developer at Refusion GmbH, I help clients to implement their ideas for online shops using Magento 2.

Work

01.2018 - Current

Software Developer

Refusion GmbH

- Developed e-commerce features using Magento 2.
- Migrate clients online shops from Magento 1 to Magento 2.
- Tested websites and performed troubleshooting prior to deployment.
- Collaborated with other developers to identify and alleviate number of bugs and errors in software.
- Debugged and modified Magento 2 software components.
- Implemented Search Engine Optimizations to improve search results and business flow.
- Wrote clean, clear and well-tested code.
- Worked closely with clients to establish problem specifications and system designs.

Projects

08.2017 - 11.2017

Android Developer

Heads-Up Texas Hold'em

- Managed all aspects of Android app lifecycle from research and planning through deployment and post-launch support.
- Applied various techniques to locate bugs and errors in applications.
- Utilized comprehensive knowledge of mobile landscape, emerging technologies and innovations to remain on cutting edge of Android market.
- Tested applications prior to final review to verify efficient issue resolution.
- Consistently used Android SDK to produce highly effective and nuanced content.

06.2017 - 08.2017

Web Developer

Portfolio Website

- Created site layout and user interface using HTML and CSS practices.

- Designed personal web page to be compatible with top browsers, including Firefox, Chrome and Safari.
- Used programming capabilities in PHP, SQL and JavaScript and other libraries as needed.

Education

09.2013 - 08.2017

Bachelor of Computer Science
Universidade Aberta

UAb is a public distance learning univeristy based in Portugal and I obtained my degree in July 2017.
